

TUESDAY

NOV 10

NATIONAL DAY OF ACTION

FIGHT FOR \$15 /HR

MARCH FOR RACIAL AND ECONOMIC JUSTICE

**3:30 pm rally at Faneuil Hall (MBTA: Haymarket or State Street stops)
followed by 4:30 pm march to State House**

On November 10, join underpaid working people throughout the country as we stand together for work that pays enough for us to sustain our families.

We'll call on corporate CEOs to raise pay and respect our right to form unions without retaliation.

And we'll call on our elected representatives to stop letting the wealthy and powerful write the rules in their favor.

Together, we can work to end racism and oppression, create a path to citizenship for immigrants, and fight for wages that strengthen our communities.
